Associate in Prebusiness Degree
 To complete the associate degree, 66 credits are required, including the
 general education requirements and lower-division business core described
 above. A minimum cumulative grade point average of 2.0 is also required. The
 last 15 credits towards the degree must be earned at NMSU.

Minors in Business
 Minors are available in accounting, business administration, business
 computer systems, economics, finance, international business, management
 and marketing. The college also cooperates with the College of Arts and Sci-
 ences in offering minors in global political economy and U.S.-Mexico border
 studies.

Prelaw Students
 Because the practice of law often involves business-related problems,
 the majors in the college provide an excellent preparation for the prelaw
 student. The college has attorneys on the faculty who are available as
 advisers.

Graduate Work
 The College of Business Administration and Economics also offers
 programs leading to the following degrees: Master of Business Administra-
 tion, Master of Arts (Economics), Master of Accountancy, Master of Science
 (Experimental Statistics), and Ph.D. in Business Administration. For details
 on programs leading to these degrees, see the current Graduate School
 Catalog.

MINOR: Business Administration
 This minor is available to all students except those seeking the Bachelor
 of Accountancy and the Bachelor of Business Administration. A cumulative
 GPA of at least 2.0 is required for required 18 credits, nine of which must be
 upper division. Students must select nine credits from only one of the follow-
 ing course prefixes: ACCT, BUSA, ECON, FIN, INTB, MGT, or MKTG. Students

must select an additional nine credits from any of the following prefixes:
 ACCT, BA, BCS, BLAW, BUSA, ECON, FIN, INTB, MGT, MKTG.
